Use Table 641-2, Erosion, Sediment and Pollution Control – Liquidated Damages on construction projects that will have Construction General Permit coverage for stormwater discharges.

Use Form 25D-126 to document liquidated damages and communicate billing amounts to the Regional Fiscal Office. The Regional Fiscal Office may send invoices to the contractor for individual occurrences, or as a single invoice before final acceptance. Contractor payments for stormwater related liquidated damages will be received in a separate account.

The contracting officer may withhold an amount equal to the liquidated damages from Contract payments until the Contractor pays the invoice; or if there is a dispute, until the dispute is resolved.
